

# UNION FAIR

*Maine's Wild Blueberry Festival*

## **WINTER STORAGE:**

Union Fairgrounds offers three types of winter storage options. The buildings that house everything from quilts and crafts to cattle and tractors at fair time become home to dozens of campers, cars, and boats during the winter months.

I. **Outside covered (open sided building)**

These storage facilities have open sides but covered roofs and can accommodate larger boats, campers, and motorhomes.

II. **Inside secured building**

These buildings are secured but due to door height restrictions they are limited to smaller boats, popup campers and vehicles.

III. **Outside uncovered**

This uncovered area allows for a space to keep your driveway clear all winter and is priced at a cheaper rate. All vehicles will be parked on pavement.

## **2024/25 Storage Rates:**

Rates are per season (Nov.1 – May 1) and are based on overall length, rounded up to the nearest foot of equipment, including trailer tongue.

Option I:	\$10 per linear foot
Option II:	\$15 per linear foot
Option III:	\$100 per unit
ATV/lawn mower/motorcycle:	\$100 per unit
