

Union Fair Demolition Derby Vehicle Preparation

The following items must be removed: Sun visors, side view mirrors, rear view mirrors, head lights and tail lights, door handles, antennas, emblems, luggage racks, trailer hitches, wheel weights, front fiberglass grill, fiberglass rear bumper and any kind of trim and/or molding. All windows and glass. (windshield optional) Do not leave broken glass in the doors or side windows. Air bags must be removed. Please disconnect the battery and let the system discharge for at least an hour before removing the air bag modules. Cars must be cleaned out including the trunk.

Further preparation for your demolition vehicle. Antifreeze must be drained and replaced with water. Battery may be removed and mounted securely on the passenger side floorboard and covered. Only one stock battery per vehicle. No electric fuel pumps allowed in the driver's compartment. Stock tires only, no inner liners, no truck or snow/mud tires allowed. Trunk and hood secure with wire or rope, do not bolt or weld. Hood must have a 12 x 15 hole cut in the center. Doors must be tied, chained or wired shut with the exception of the driver's door which can have two half door size welds. Safety belts and helmets are required. Safety belts must remain fastened in their factory installed locations. You will be disqualified if your seat belt breaks or your helmet comes off during your heat or feature. Gas Tanks may be moved to the trunk, but not allowed in the driver's compartment unless covered by a fire wall. A maximum of 5 gallons of gas will be allowed. No modifications of the car bodies or frames. No reinforcement of any kind and no spray foam allowed. Cars will be disqualified if any changes are found, no exceptions. It is recommended that you bring: tools, flashlights, water, sledge hammers, crow bars, etc.

Check in--starts at 2 p.m. Cars need to be at fairgrounds no later than 5 p.m. Inspections will end at 6 p.m. with no exceptions. We recommend coming early to beat the traffic.

****Drivers must have their car removed from the fairgrounds the night of the derby******
