

## Union Fair

# Youth Beef Steer and Market Lamb Auction

## Buyer's Information

This year the Union Fair will be hosting the second annual **Youth Beef Steer and Market Lamb Auction**. This is an opportunity for our local youth to take part in a year-long project to raise a beef steer or market lamb that they will then sell at auction for local people and businesses to purchase exceptionally locally raised beef and lamb.

**So, how does this all work?** The youth involved in the projects spend their time and money to raise and care for the steers or lambs over the past year. They will bring their animals to the Union Fair, where they will be shown and judged **on Sunday August 23, 2015 at 4 PM**. This is a great opportunity for you to meet the youth and learn about them, what they learned during their projects, learn what it cost to raise the animal and pick out the steer and/or lamb you are interested in purchasing.

**Buyer's Reception...** The projects culminate in a reception and auction that will begin at **6 PM on Monday August 24, 2015**. There will be a reception for perspective buyers to again speak to the youth, have some light appetizers, look over the animals one more time and make your decisions on who you are interested in bidding on.

**The Auction...** will begin **promptly at 7 PM, Monday Night the 24th**. All of the proceeds go directly to the youth to help fund their education or support their future livestock projects, so you will be helping to support the future farmers in our area. The live bidding can be done in person, via previous arrangements with the auctioneer or live on the phone during the sale. For contact information to bid from afar please see the bottom of this page.

**What do I do once I buy it?** Once you have made your purchase, you can speak with the volunteers at the table who can help you determine how you want to have it processed or you can take it to a butcher of your choice. All butchering costs will be the buyer's responsibility. If arranged for processing at West Gardiner Beef or Curtis Meats trucking has been arranged with no cost. Once processed you will then pick up some exceptionally raised local beef and lamb!

## **There is NO way my family could use a whole cow!** If

committing to an entire steer or lamb is more than you need, you can share your purchase with your friends or family. We will also have a list of people interested in sharing an animal. Please let us know in advance if you would like to share an animal.

**Restaurants wanted...** We have a few certified slots at the local butcher shop for USDA inspected processing. It is a great opportunity for local businesses or restaurants to support our local youth and purchase high quality meat.

**We want to help but don't need and meat...** There is also an opportunity to buy an animal and donate the meat or donate the animal back to be sold again where the proceeds will go to a charity of your choice. Please consult with your tax advisor prior to the sale to determine how this may affect you or your business.

**How do I pay...** Payment is due immediately after the conclusion of the sale.

Payment may be made by cash or check. *Animal remains the property of the youth and may not leave the fairgrounds until payment has been made .*

**Contact Us...** If you have any questions please don't hesitate to contact our Sale Coordinator, Heidi Baker at 207-975-4415 or email at [hbaker@mcht.org](mailto:hbaker@mcht.org)

While at the Union Fair, you can also enjoy the other activities as we celebrate local agriculture on Sunday, August 17, 2014. We will also have a Farm and Garden Equipment Auction at 10 AM, a farmers market from 2 to 5 PM, sheep herding demonstrations at 1, 3:30 and 6 PM, Kids Barnyard games at 2 PM and our open and youth poultry shows at 9 AM and 1 PM respectively. It will be a day of activities to celebrate local agriculture in our area that will be fun for everyone, so plan on coming and spending the day.

If you have any questions or are an interested buyer, please call Heidi Baker at (207) 230-8084 or email her at [unionmarketshow@gmail.com](mailto:unionmarketshow@gmail.com).
